**CASE NO. GNR-W-04-1****NOTICE OF WORKSHOP**

On October 14, 2004, the Commission issued Order No. 29610 addressing service territory issues raised by Eagle Water Company, Inc.'s ("Eagle Water") Application to Amend its Certificate of Public Convenience and Necessity in Case No. EAG-W-04-2. Following a comment period and oral argument, the Commission ultimately approved a settlement reached by Eagle Water and United Water Idaho Inc. ("United Water") to allocate the five parcels in question between the two companies. In regard to William and Ellene Parr's request for water service and the need for a comprehensive allocation of uncertificated territory in the growing community of Eagle, the Commission wrote:

We understand that the parties are working with William and Ellene Parr to determine if and how water service can be provided to their property. The Commission asks that the parties keep us informed as to the status of the Parrs' request for service. Finally, we open a new docket in Case No. GNR-W-04-1 to consider allocation of the uncertificated service territory in the Eagle area. The Commission directs Staff to establish workshops to work through the requisite issues of such an undertaking. Tr. at 17-18, 20-21.
